Man Wounded In Stabbing Affray Sunday Morning

Preliminary hearing in the case against Joe Chmil, Apartment A, 1533 Marcelina avenue, who was arraigned Monday before Judge C. T. Pippy on a charge of assault with a deadly weapon, was held before the same court this afternoon at 2 o'clock.

Chmil was accused by Joe Walker, of the same address, of having attacked him Sunday morning, armed with a pocket knife and a large butcher knife. Walker defended himself and in the struggle received a long slash in the forearm.

An argument between the men over a personal matter, is said to have been the cause of the fray.

Second Offense Sends Man to Jail

Charlie Larson, of Lomita, who was arraigned in the Lomita township justice court on February 9 on a charge of intoxication in a public place, was given until March 12 to pay the fine assessed at that time and released. Larson was again arrested on a similar charge and arraigned February 23, before he had settled for the first offense, and in consequence was ordered to pay the original fine of \$100 or 50 days in the county jail. He was committed to jail in default of payment.

FORMER RESIDENT SPENDS DAY HERE

Charlie Elman, former resident of Torrance, spent Tuesday in the city calling on old friends. He was accompanied here by Charles Miller, also of Los Angeles, who called on officials at the National Supply in the interests of a patent device which he has invented.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Paul's first epistle to the Corinthians: "Other foundation can no man lay than that is laid, which is Jesus Christ."

Among the Bible citations in the Lesson-Sermon are the words of the Master, from Luke, "Fear not, little flock; for it is your Father's good pleasure to give you the kingdom." These verses from Luke are included also. "And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation; neither shall they say, Lo here! or, lo there! behold, the kingdom of God is within you."

One of the correlative selections from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, says, "Let unselfishness, goodness, mercy, justice, health, holiness, love—the kingdom of heaven—reign within us, and sin, disease, and death will diminish until they finally disappear."

Old Age Pension Discussed Tonight

United Artisans Growing Rapidly

New Lomita Lodge Initiates Another Large Class

Membership in the United Artisans, new fraternal insurance lodge just organized in Lomita, is growing rapidly, according to those in charge of its affairs. At the last meeting held Monday evening a class of about 20 was initiated, and many others are being interviewed. The lodge has more than doubled in membership since it was organized about a month ago.

Following the business session a social dance was given with young and old joining in the modern and old-fashioned steps.

The Artisans meet regularly every Monday evening at I. O. O. F. hall. Next Monday evening an invitational dance will be given with a small admission fee to be charged which will go into the fund to provide uniforms for the patrol, or escort team, which is now being organized.

As a recognition of his excellent work in organizing the new lodge, John Beckley has been made a past master artisan, the highest honor obtainable in a local lodge.

Keeping Up With Torrance High

Mrs. Eischen and some members of the Madrigal Society are forming a musical club to be called the Bach Club. Its purpose is to study the Mass in B Minor by Bach in preparation for the Bach festival to be held in Los Angeles in May at the First Congregational church under the direction of John Smallman.

Two new members of the student control board have been chosen by Mr. Waldleich. They are Harold Watson and Theodore Adzovich.

The control board is the judicial board of the school and to be chosen on it is one of the highest honors a student can receive. The present members of the board are Kenneth Haslam, student body president, ex officio; Milton Everett, Dorothy McMillan, Carl Paxman, Theodore Yamamoto, Theodore Adzovich and Harold Watson.

The Torrance News Torch staff is now complete. Jayne Traller, editor-in-chief, and Joy Fossum, managing editor, have chosen the following members of the Journalism class as members of the staff: Edith Stevens, literary editor; Dick Colburn, junior high editor; Theodora Yama and G. sport editor; Janet Mastri, G. A. editor; George MacDougall, circulation manager; Martin Kallina, art editor, and Betty Jane Rous, exchanges.

Requirements for entering the Girls' Athletic Association have been raised. It now takes 100 points to enter and 50 points per year to stay in.

Every year enough money will be taken from the G. A. treasury to buy a "past president's" pin for the outgoing president as a small token of appreciation from the club.

The G. A. A. has decided to enter the carnival to be held at school as a means of earning money for their annual picture. The kind of booth has not yet been decided upon.

Friday, March 9, is the date finally set for the G. A. A. cotton and cord dance.

Get Up Nights? USE BUCHU AND GIN Make This 25c Test.

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. BUKETS guaranteed by Dollywood Drug Co., Torrance.—Adv.
